

Heifer Award Program

This program provides for one registered Hereford heifer to be given to an NJHA member at the JNHE each year. The program is sponsored by the National Organization of Poll-ettes and made possible by generous donations from breeders across the United States. These heifers are given to honor or memorialize those who have been significant leaders and contributors to the Hereford breed.

Eligibility

Any NJHA member present at the JNHE may register for this program. You must be present in the arena to accept the heifer award or another recipient will be selected.

Award Process

At a time announced at the JNHE, members will gather in the arena for presentation of the heifer and selection of the recipient.

Heifers awarded through this program will be halter-broke and ready to show. Pending approval by the AHA, the heifers will be eligible to show at the JNHE in the same year they are awarded.

Commitment to Excellence Scholarship

Recipients who commit the time and effort to return their heifers to exhibit at the following year's JNHE will receive a \$500 Scholarship from NOP providing the following criteria are met:

1. Heifer is registered, entered and exhibited by the junior who originally received the heifer.
2. Heifer owner/exhibitor submits the following to the NOP Heifer Award Chairman as soon as possible/upon arrival at the JNHE
 - a. Copy of the thank you letter written to the donor of the heifer
 - b. Heifer record summary (NOP form)
 - c. Photo(s) of exhibitor and heifer (casual or show photos are acceptable)

Please address questions or inquiries concerning heifer donations to the NOP Heifer Award Chairman or any NOP Director.
